

Ladies and Gentlemen,

we are pleased to announce that the HSM has signed a distribution agreement with the manufacturer COOLTRON Industrial Supply Inc, effective January 1<sup>st</sup>, 2013.

Our engagement is put on a solid contractual basis.

**COOLTRON**®

COOLTRON, established in 1999 at California USA, develop and produce AC/DC and Blower fan:

- AC fan working voltage between 110V and 240V,
- DC fan working voltage 3.3V, 5V, 12V, 24V, 48V and 60V,
- Blower fan working voltage 5V, 12V, 24V and 48V,
- Fan accessories as of fan guards, fan filter AC power cord and combination,
- Cooling solutions.

All products can be used in the wide temperature range as of between -40°C up to +85°C.  
The expected life time is 80,000h @ 40°C.

The guarantee period is 3 years as of production date.

Normally we have a lead time between 5 – 7 weeks (Chinese New Year 7 – 9).  
For product and technical information please visit [www.cooltron.com](http://www.cooltron.com). At our web page [www.hsmz.eu](http://www.hsmz.eu) you can find a browser based online catalogue with search function.

During the embedded world show you can get a printed catalogue or we send you one if you need it. Please pay us a visit during the show in hall 1 stand 517.

If you have any question please feel free to contact Mathias Mangelsdorf by phone or e-mail ([mathias.mangelsdorf@hsmz.eu](mailto:mathias.mangelsdorf@hsmz.eu)).

We look forward to your inquiry.

Best regards,

Lutz L. Zamecki
